

CareFree®

Five-Year Battery Warranty Program

Get five years of superior warranty protection and free battery replacements for Bullard LDX, T3X and T4X Thermal Imagers with the CareFree program from Bullard.

COMPLETE COVERAGE*

With your X Factor Thermal Imagers: LDX, T3X, and T4X you already get a five-year full service warranty on parts and labor. Upgrade to the CareFree Warranty to get five years of coverage on batteries. Here's how it works:

FREE BATTERY REPLACEMENT

When a battery covered by CareFree needs replacement, we'll send you a new battery. The replacement batteries you receive through the CareFree program are never refurbished or repaired batteries. Brand new batteries are shipped straight to you.

NO FEE SEE

You'll never pay a charge related to servicing or replacing a battery during your CareFree coverage. There are no shipping charges within the continental U.S. and no evaluation fees.

EASY BATTERY ANALYSIS

To verify the condition of CareFree batteries, you can track CareFree Batteries within our myBullard™ software. This easy-to-use software allows you to manage your CareFree inventory, test and analyze batteries, and get replacement batteries with the click of a button. myBullard, in conjunction with the PowerUp battery charger, analyzer, conditioner (included in the CareFree package), enables you to verify battery condition before returning it to Bullard.

*CareFree Warranty must be purchased within one year of original date of manufacture of thermal imager.
