

Bid Specs

Only
Hard Hat
with Replaceable
Clear Brim Visor

Bid Summary

Bullard's patented AboveView is a full-brim hard hat with a removable, replaceable clear brim visor. AboveView offers increased protection from the elements and comes equipped with accessory slots for a variety of attachments. AboveView is offered with ratchet suspension and a replaceable cotton or vinyl brow pad. The suspension system has four points of attachment with four separate keys for a secure fit and 3/4" wide crown straps for comfort.

Specific Features

- See-through visor opens upper peripheral vision by 50%.
- Replaceable visors: Clear Tint for full visibility; Grey Tint for shade; Yellow Tint to prevent glare.
- Hat style helps protect against splash, glare, and sun exposure.
- Ratchet suspension – Ratchet suspensions can be adjusted between hat sizes 6.5 - 8.
- Ratchet suspensions have vertical adjustment capability (two in front, two in rear) for a secure fit to different head sizes.
- Wide (3/4") seamless crown straps provide more comfort and helps the suspension system absorb energy. The round, wide crown area also allows for good ventilation.
- Replaceable cotton and vinyl brow pads are pillowed for maximum comfort. Velcro replacement brow pads are available in absorbent cotton, a cooling material, or a vinyl material.
- Pad print capability in up to eight different locations on the hat – logos may have up to six colors per location.
- Standard four-day lead time on plain and customized hats.
- Two-year warranty. Bullard's reputation can be seen in the attention to detail on comfort and fit.
- Distinctive Three-Rib trademark.
- Made in the USA.

ABOVEVIEW™

AboveView Model Specifications
