

Mission

Bullard exists to create and market innovative products and services that enhance productivity and protection in hazardous environments.

Quality Vision

We shall fulfill our mission through our Quality Vision. Our Quality Vision focuses on the C-U-S-T-O-M-E-R.

To satisfy *customer* requirements, we shall:

- C** Continuously improve all business processes and the effectiveness of the Quality Management System.
- U** Understand our customers' requirements and exceed them.
- S** Standardize our work to ensure reliable and easy to maintain products and processes.
- T** Train our employees to enhance their knowledge of our customers, products and processes.
- O** Overcome obstacles by fact-based, proactive solutions.
- M** Measure our performance and hold ourselves accountable for the results.
- E** Empower our colleagues with direct responsibility for building product or delivering service.
- R** Require that our relationships be based on open communication and mutual trust.
