Conditions attached to the issue of this certificate:

1. This accredited certificate governs the use of the INSPEC 'ISO 9001' Scheme mark and claims to registration under an IAF compliant ISO 9001 Scheme by the organization for their quality management system.
2. The organization shall undertake to fulfil the obligations arising out of ISO 9001:2015, and with INSPEC's Regulations governing this Scheme, and the INSPEC International Ltd Terms of Business.
3. The organization shall inform INSPEC without delay of any planned changes to the quality management system, or manufacturer information which may affect the validity of this certificate, before any such change is made.
4. This certificate remains the property of INSPEC and may be withdrawn if any of the conditions attached to its issue are not complied with.
5. Page 1 may be copied or reproduced by the certificate holder, for display purposes within the premises that fall within the scope of the certificate, of the organization.
6. This certificate may be copied or reproduced by the certificate holder, complete and without omissions or additions, and in accordance with INSPEC's terms of business.
7. The organization shall not use its certification in any manner as to bring INSPEC into disrepute, nor make any statements regarding the certification that INSPEC considers misleading or unauthorised.
8. Upon suspension, withdrawal or termination of this certificate, the organization must discontinue all advertising matter that references the certification.
